Using the Schedule

As an example we will use the Shoreline Shuttle Schedule and let's say that you wish to go from the center of Madison (Scranton Gazebo) to the center of Clinton (Post Office Square) on a Tuesday morning.

Scranton Gazebo	Hammonasset Park	Clinton Crossings Mall	Post Office Square	
645	REQ	***	655	71
720	REQ	***	730	74
905	REQ	920	930	94
950	REQ	1005	1015	10
1030	REQ	1045	1055	11
1200	REQ	1215	1225	12
145	REQ	200	210	22

Make sure you are reading the correct schedule. On the top of the schedule the direction of travel and days of operation are listed. From the row on the top find "**Scranton Gazebo**" listed and find the "**Post Office Square**" stop

Look down the column and find the time that is most convenient to leave the Gazebo. For this example we will use the **9:05** bus.

Simply read along that row from the **9:05** stop to see the time the bus will get to each stop along the route.

For our example you can see the 9:05 bus from the **Scranton Gazebo** will get you to **Post Office Square** in the center of Clinton by 9:30.
